Well, obviously I (Darren) am not present tonight - however you are not off the hook!!!! Bill is in charge and I am sure you will have a great rehearsal!

I assure you I'd rather be here than unhooking refrigerators, washer, dryer, computer, etc... However the flip side (which is the best part) is that we will soon be moving into 1475 Westwood Lane. So please pray for us in these next few days as I am sure they will be tuff in many different aspects.

I want to encourage and give you some reasons why I believe our choir members/worship leaders need to be present every Sunday Night possible. Your visibility helps to give credibility to that which we sing. For instance if we sing a song pledging our all to Christ yet we are not seen except on Sunday morning - where is the action to back our singing? You can help lead even from the pew on Sunday Nights. Also, I believe if you are not coming on Sunday Nights you are only receiving part of the Blessing that God has to offer you. Why not receive all God has to offer you by being totally plugged in to all that God is doing at SBC?

I look forward to our worship time together this Sunday. Let's gather Sunday already having met with the Lord and ready to lead His people to His throne!
