I would like use the article this week to make you aware of some things that we are doing and give you opportunity to pray about some other areas in which you can be involved. First, be aware that you can go to our sbcsouthside internet site and find our weekly choir notes page. If you are unable to be with us on a Wed. night you can use this pages to be prepared for Sunday's Choir Special as well as to review other rehearsed pieces. Also, this is a way you can keep the prayer needs of the choir family before you. I believe this can be a helpful tool.

There are many opportunities to serve the Lord through our Choir ministry. Pam Weeks is our Coordinator for our Fellowship Team which has three sub groups that cover food preparation and set up, games and activities, and clean up crews. We are going to be adding a missions arm, prayer arm and visitor/new assimilation arm to our choir ministry as well.

Remember, "Blessed to be a Blessing". Well, I believe SBC is a blessed in many aspects. I also believe that if we will lock arms and hearts together in a unified effort, the vision God will unfold will have us "*speechless astonished and amazed*"... Thanks you for your involvement is this ministry!
