

Praise the Lord! He is doing Great Things!

October 3, 2007

Thank you for your faithfulness in my absence this past week. Ashley (my brother) was married in Jackson, MS. on Sat. evening; thus, I could not make it back. However, I know that services went well and that you enjoyed Dr. Robert Wagoner and Dr. Chuck Kelly. I have since spoken with Robert and he really enjoyed being here at SBC. Thank you for your actions of love and kindness - please keep Robert in your prayers.

A few weeks ago I spoke about to you letting you know how I desire for us to change the focus of our devotional time in choir. We will begin next week -starting with Marianne Fuhrman -hearing our choir members (brothers/sisters in Christ) share their personal story of meeting Christ - then what is God doing in your life now - how are you seeing God work in your life presently. I believe this will be a great time as well as a growing time as we point to Jesus by giving Him the glory for the Great things He has done in our lives. Yes, I want each of us to share! What do I see happening: 1.) as we share together we are worshipping the Lord; 2.) His Spirit within you will shine and our fellowship with one another will grow stronger and tighter; etc... I believe as we share our stories together, the fellowship of kindred spirits will be made stronger thus will the ministry of our choir become stronger and stronger.

**Hope to see you back Tuesday Night at 6:00
 and Wednesday Night @ 7:00**

To God be the Glory!
