## A Note from Bro. Scott

Dear Church Family,

I hope that you all had a good spring break with your children and grand-children last week. I know that I enjoyed being with Teresa, Morgan, and Brock last week. Let me encourage you to take time to enjoy these precious moments with your children. As my children get older I realize how quickly time and life can slip away from you. It seems like yesterday that mine were babies and now they are half grown. I often tell Teresa that our years with our children when measured by how many summers we have left with them at home really does put into perspective just how little time we truly have with them. That means that I have only six more summers left with Morgan before she leaves for college or whatever the Lord has in store for her. You better believe that I intend to make the most of those times. I hope that you will slow down and reflect on how fleeting it all is and make the time to create precious memories with your family before it is too late!

May God richly bless you and your families as you continue to serve Him. I will see you Sunday in the Father's House!

**In His Service,**

## Outreach and Singles Ministry

What a wonderful trip over to the Jimmie Hale Mission our college students had this past Friday. We got to minister and serve over 80 men who are rehabilitating from substance abuse and were privileged to witness how God is rebuilding their lives...step by step...and we got to help be "His hands and feet."

**A College and Career Worship Service for all high school graduating seniors and college/career single adults** will kick off next Monday, April 28 at 7:30 that we are partnering with for our county at Cove Creek Baptist Church. Southside will host the next worship service here after our buildings are completed. A worship band will lead us, biblical teaching with fellowship and food along with a recreation time at their church afterwards...so call Alan and be ready to leave the church next Monday night at 6:30.

Thanks to everyone who bought a Boston pork shoulder from our college students. We appreciate your support of our Romania missions trip with the proceeds. There will be other opportunities for your continued financial support of our 16 missionaries, and please continue passing your Sunday School box each week with our missions focus on Romania. God bless you!!

### Baby Dedication

Baby dedication will take place on Mother's Day, May 11, during the 10:30 am service. If you have a baby, (or even an older child) who has yet to be dedicated and you would like to take part in this dedication please see Bro. Chris or call Teresa at the church office. You will need to fill out a form so that we will have correct information to publish in the bulletin.

### Vacation Bible School

**WE NEED WORKERS.** Regardless of your age, we can use you to help with VBS this year.

Please see Bro. Chris or call Amy Ogle (543-1729) or Kelli Thompson (442-0319).

### Extended Teaching Care

We need your help in Extended Teaching Care. If you are not already signed up. We want to extend the best possible care to our children, but that cannot be done with as small a number of volunteers as we now have. Some of our faithful workers are having to do double duty. With our large congregation, there are plenty of able-bodied adults and youth 16 and older who could give their time and love to our precious young ones. As more of you sign up, we can form more teams, and our workers will not have to work as often. All parents of preschoolers are urged to sign up, of course, but they cannot carry the load completely. It takes all of us. How about if your adult Sunday School class took one Sunday to work? This would instantly form many more teams! This is an urgent need, especially as we see more young couples joining our fellowship. Please see Chris Sullivan or call the church office at 442-8602.

### **YOUTH MISSION TRIP 2008**

**is getting close.**

**Orlando, Florida**

**Friday, July 11 - Saturday, July 19.**

Brian and I just returned from scouting the area for **Mission Trip '08**. We met some wonderful people that have a huge heart for God's work. We are very excited about the opportunities ahead for the SBC Student Ministry.

We will be working with the Greater Orlando Baptist Association. We will be assisting in a program that provides weekday tutoring in math and reading to K5 - 3<sup>rd</sup> grade students. We will also offer a Sports Camp for 4<sup>th</sup> & 5<sup>th</sup> grade students. This is a very needy community and the children will break your heart. God has really opened the door for us to reach those less fortunate this year. The possibilities are endless & we are so excited.

Parents, we will be sending a letter this week with more details. Students, don't forget the requirements for this trip. This is a working trip & we need to be prepared spiritually for the task ahead.

Church family, please begin praying for the students, leaders, and the children in Orlando. We pray God will use this trip to change countless lives.

## Thank You

---

Thank you cards were received and placed on the bulletin board from Nina Brown, Nita Myrick, Susan Trawick, Cauleen Hanner, Diane King and family, David & Beverly Elam, and Ken & Marcia Crowe.

## **Eight Annual 'Choose Life' Banquet**

**May 1 -- 6:30 pm**

**Convention Hall**

**Special Guest - Gianna Jessen  
author of the book**

***"Aborted...and lived to tell it!"***

There will be a catered meal from Tony's and several fantastic door prizes - including a mink jacket!

This is a major fund-raiser for the Etowah Pregnancy Testing Center. The ticket price is \$15.00 per person. There are ten seats per table - reservation for tables are first-come basis. To make reservations or for more information call the center at 546-8677. Gianna weighed only a mere 2 pounds and the doctors said she would never be able to hold up her head, sit up, crawl or walk. But she did begin to walk at age three. Hear her tell her incredible story of survival and her Christian witness as to how God gave her life through His grace.
