Lord's Supper

A Note from Bro. Scott

Dear Church Family,

We had a great week of VBS. We were able to minister to a lot of children and their families. We saw a lot of parents come to family night service. God even allowed us to see five children pray to receive Christ as their personal Lord and Savior. Thank you for praying for this wonderful week.

As I write this article, we have begun our Revival and Faith Camp. I hope that you have been praying for God to do a marvelous work in us and through us. By the time you read this article the services and camp will have ended. The saddest thing would be for us to realize that God offered us a chance for a great revival and we wasted it. I hope that as you read this article that is not the case in your life. I hope and pray that you did not let the Lord pass you by when He wanted to do a great work in your life.

My prayer is that God would do such a marvelous work in my life and in your life that those who do not know Him will be drawn to Him through our lives. I want God to do a supernatural work in my life and through my life for His glory among the people of this community and the world. I hope that has been your prayer this week and continues to be your prayer long after this week is over.

May God richly bless you and your family as you continue to seek to serve Him. I will see you Sunday in the Father's House. **In His Service,**

Bro. Scott

Outreach and Singles Ministry

I want to thank each of you who have joined us each morning in the sanctuary these past 2 weeks from 6:30-7:30 and also those who have prayed each night in the **WAR ROOM** during revival services. Your diligent prayers have been a blessing and given power to our services as well as to the young evangelists canvassing the streets of Southside this week. Many of you also have prayed at work or at home or during your personal quiet times and Bible study...and for that, I am so thankful. Pray this week that the seeds of the gospel planted during VBS and Revival will not be stolen from the hearts of those who were evangelized.

Music Ministry

Dear Southside,

God is Good All the time and All the Time God is Good! It has been a blessing thus far to see our teenagers go witnessing, to see and rejoice with those who have already accepted Christ this week, to see the tears of joy, tears of brokenness, tears as people came to the altar to bring their burdens to the Lord - I tell you God is good and we are so happy to have seen Him move in our midst. However would you join us in praying that this would only be a beginning point and certainly not an ending point. Pray that God will continue to work in our lives that our passions would be His passions. That our lives would mirror God and His glory instead of another American's life with a dash of religion sprinkled in here and there. God is alive and well. The end, though it is coming, is not yet come, so God still seeks a people to work in and through who will lift Him Up, make Him known, and who will glorify His wonderful matchless name. Will you be a part of what God wants to do? I know this - when we join God in prayer and *let our actions match our passion* (VBS song) we will see God do some great and mighty things. Continue to pray and let's join our hearts together in worship this Sunday and *Rejoice* in the One whom we serve!
