There's never been a time when students needed their confidence & faith strengthened like right now. Just think of all that students must battle today. Parents & pastors, help your students - students help yourselves - by attending this camp.

There is no one better qualified or more experienced at Student FAITH than Pastor Scott Harris and there is no church more ready for a Student FAITH Camp as Southside Baptist Church.

Wow! What an opportunity! Don't Miss it!

# Training

Track 1 - FAITH Trained Students will participate in a continuing education class, encouraged & motivated by Dr. Alvin Reid

Track 2 - FAITH Training for those not previously trained.  
Taught by SBC Staff

Are your students ready to share their FAITH?  
Are they confident about how to do that?  
Are you searching for the "perfect formula" to teach them?

Since August 1998, over 7,000 churches have been equipped at FAITH Training Clinics.

Students can be bold witnesses for Christ.  
But, it's up to us to equip them.

FAITH Camp may be the answer.

List of participants should be "rated" from 1 - 3. This information will be kept confidential.

- 1 - Trained to share FAITH & can boldly do so.
- 2 - Know how to share FAITH but lack boldness.
- 3 - Inexperienced in sharing FAITH, but willing to learn.
