GPS Prayer Card Emphasis 3•1•6
I will pray for 3 people 1 time a day for 6 days a week. Many are familiar with the navigational tool called GPS (for Global Positioning System). It is a means to assist travelers in searching their destination through a mapping service in the automobile or some other hand-held device. Additionally, GPS can be used to help people in times of distress. For Southern Baptists, GPS has another meaning. It is the acronym for God's Plan for Sharing. GPS is an emphasis upon praying for the lost, engaging them in a constructive way, sowing the seeds of the gospel and harvesting the souls coming to Christ.

Outreach/Singles Ministry

February is upon us all, and with the new month come many chances in the life of our church for outreach. **FAITH**, our Sunday School evangelism strategy, has started with tremendous success. We have 17 adult teams visiting each week, and with so many making visits each Sunday, we need evangelistic prospects. Maybe you have a new neighbor who has just moved into your subdivision, a friend you know who needs a ministry contact, or a coworker who needs Jesus. Please contact me with their info...name, address, and ministry need, and we'll make sure to visit them.

Tuesday, Feb. 9 is **Upward Awards Night**, and we will provide a prayer room for each of us to unite as our schedule allows and pray for God's Spirit to move in the lives of the children and their parents/grandparents...Please plan to come and pray!

Lastly, please lift up in prayer our **Men's Conference** and **Couples Retreat** coming up toward the end of the month. Men will be challenged in their faith to lead their families to spiritual maturity.

We are also leading a **single's planning conference** at 7 pm on Monday, Feb. 8, at the EBA. Call Alan if you would like to attend.

I love you,
